

National American University Teams Up with Palm Beach Academy of Health and Beauty

NAU begins partnership with the Palm Beach Academy of Health & Beauty (PBAHB) to provide PBAHB students the opportunity to earn their degrees at NAU

RAPID CITY, S.D. ([PRWEB](#)) October 15, 2020 -- [National American University](#) (NAU) is pleased to announce that it has entered into an agreement with the Palm Beach Academy of Health & Beauty (PBAHB) in Lake Park, FL, to enhance educational opportunities for graduates of PBAHB.

The relationship between the two institutions allows PBAHB graduates to continue their education in an NAU online degree program, including [associate degree programs in Health and Beauty Management](#), or bachelor's programs in Healthcare Management and Management. Under the agreement, NAU will provide PBAHB graduates the opportunity to participate in online classes at a reduced tuition rate and study when and where they choose.

“National American University has a long history of working with community and technical colleges to help working adults and other non-traditional students take the next step in their education and career journey. We are excited to work with Palm Beach Academy of Health & Beauty to make higher education even more accessible to PBAHB’s degree-seeking students,” commented Dr. Ronald Shape, National American University President.

“Palm Beach Academy of Health and Beauty has a vibrant legacy of training students to have successful careers, and become productive role models in their community. At PBAHB our student success is our success, and we do our very best to create an extraordinary educational experience for them, while continuing to create opportunities for their advancement such as this opportunity with NAU,” commented Kris George, Palm Beach Academy of Health and Beauty President and COO.
